## 9th MICCAI conference, 1 - 6 October 2006

**MICCAI** is the premier international conference with in-depth papers for medical image computing, computer-assisted intervention and medical robotics. The multidisciplinary nature of these emerging fields brings together clinicians, biologists, computer scientists, engineers, physicists and other researchers who are contributing to and need to keep abreast of advances in the methodology and applications.

### **Executive Committee**

Mads Nielsen (General Chair), Copenhagen, DK

Rasmus Larsen (Sessions Chair), Copenhagen, DK

Jon Sporring (Tutorial and Workshops Chair), Copenhagen, DK

### **Supporting Institutions**

ITU - IT University of Copenhagen, DK

DTU - The Technical University of Denmark, DK

DIKU - Dept. of Computer Sci., Copenhagen University, DK

### **The Programme**

The programme of the Miccai 2006 conference includes several activities, among these are:

- Single Track Lectures
- Tutorials
- Workshops
- Posters
- Exhibitions
